NOTES FOR EXHIBITORS

All goat classes are held under the Rules Regulations recognition of the British Goat Society. All exhibits must be registered with the British Goat Society as in the name and ownership of the exhibitor; the registered name, number and earmark being quoted on the entry form, along with kidding dates of goats in milk. All goats in milk must have kidded or aborted at least 30 days prior to the date of the show (July 14th 2017). Attached Scrapie declaration must be completed and returned with entries. Kids must be a minimum of 2 months old on day of show. The registration number of any goat initially entered must be submitted to the show secretary before the goat competes. No pregnant goat may enter the showground. In the event of an unforeseen kidding or abortion taking place, the goat must immediately be isolated from other goats. Full details of goat exhibitor and action taken must be reported in writing by the Chief Steward to the B.G.S Secretary immediately after the show.

C.A.E.

All goats must have a valid C.A.E test certificate and must have tested negative within the last 12 months prior to the show. The certificate must show the earmark of the goat. Please note kids must have proof of being from a negative tested dam. Exhibitors are asked not to bring to the show any goat that has EVER had a positive reaction to a C.A.E test. Monitored herds will be penned separately. **A copy of the current C.A.E whole herd certificate must accompany your entry.**
